

SINGLE FUND TO TAKE CARE OF CHARITY

Public Forum of Chamber of Commerce Recommends That This Plan Be Followed.

The public forum of the Rock Island Chamber of Commerce in meeting last night went on record in favor of a one-fund campaign to cover all local charities in 1921. It is proposed to model the fund after that of the patriots' fund during the war period, which proved successful. It is probable that the drive will be staged some time during March.

The committee named to act as trustee of the fund includes F. C. Denkmann, H. S. Cable, Phil Mitchell, T. A. Murphy and W. H. Dart. A special meeting of the board of directors of the chamber of commerce will be called soon for the purpose of developing plans for the campaign.

J. E. Reidy, J. A. Weisner, Mary Hender, J. G. Ray, D. K. Brennan and H. M. Schriver were nominated as public forum candidates for the board of directors of the chamber. The annual meeting of the association will be held some time in February and 15 directors will be elected from among 30 candidates, six candidates from each bureau and the forum.

LODGE CELEBRATES WITH PAST MASTERS

Members of Rock Island lodge No. 655, A. F. and A. M., celebrated the annual past masters' night at the Masonic temple last evening with a grand reception and banquet at which plates were laid for 400. Degree work was put on by the past masters and short talks were given by many of the visitors and former officers.

Among the guests were George H. Carlson, chairman of the board of examiners of the grand lodge, of Moline; Charles H. Mangold, district deputy of the grand master, of Moline; Rev. J. A. Chapman, Rev. Laurence Hadaway, Rev. John Thorne and Rev. C. R. O'Neill, both of Davenport; Rev. R. W. Babcock of Moline, C. F. Hemingway and F. L. Fugate, masters of the two Moline lodges, and George Flood, grand lecturer.

SCHOOL ROOMS ALL SUBSCRIBE TO RED CROSS

Work of Juniors A.M. in Establishing Trade Schools for Albanian Children.

Work of the American school children through the agency of the Junior Red Cross, of which Rock Island schools are 100 per cent members, has made possible the teaching of trades to the children of Albania. The first vocational training school in that country is located at Tirana. It was established by representatives of the Junior Red Cross of America and is being maintained by that organization.

In addition to providing machinery and equipment for this school, the Junior Red Cross is supplying books, maps, globes, pencils and all sorts of school supplies to the public schools which are stripped of all equipment during the war. Particularly entertaining and instructive to the Albanian children are the colored pictures sent overseas by the American children.

Of the 16 schools in Rock Island there are 122 rooms which are members of the Junior Red Cross. This makes a 100-per cent record for the Rock Island schools, including the high school. The memberships were taken out this fall, and consist of each room subscribing to the Junior Red Cross news. The money from this news is spent for Red Cross work, accredited to the junior workers.

DELICIOUS. That pecan confection, made of rich, pure nougat and wholesome caramel, rolled in the finest pecans. A rare treat.

PROMINENT 'Q' MAN IS BURIED TODAY

(Special to The Argus.)

Galesburg, Ill., Dec. 1.—Funeral services for A. B. Willett of this city, who died in St. Mary's hospital here, were held at 2:30 o'clock this afternoon in the First Baptist church. Rev. F. E. R. Miller, a former pastor, officiated and the Order of Railroad conductors was in charge at Hope Abbey.

In the service of the Burlington railroad for the past 40 years, Mr. Willett was one of the popular railroad men of the system. He was born Aug. 16, 1854, in Medina, N. Y., and was 66 years of age at the time of his death. The widow, three children, two grandchildren and four brothers survive.

GALESBURG LIONS ELECT.

(Special to The Argus.)

Galesburg, Ill., Dec. 1.—Mayor Hawkinson and the Lions got quite chummy yesterday noon in the Elks' club rathskeller, when the city executive urged cooperation of the newly organized Lions club in improving the present wretched condition of most of Galesburg's streets. The mayor was elected an honorary member of the club. L. P. O'Brien received the presidency for the year, the first election for the permanent organization being carried out at this session. The other officers are as follows: First vice president, M. G. Ogil; second vice president, Jack Turley; third vice president, Gus Pahlow; secretary-treasurer, Lloyd Sparks; sergeant-at-arms, John Marry; tall twister, Newland Tyner. Directors, C. A. Lattin, W. A. Bartlett, Forrest F. Blake and Clarence Lorrman. The Peoria plan of covering old pavements with asphalt is to be investigated by a committee of two, M. G. Ogil and Glenn Sparks.

PUT GOATS TO WORK.

(Special to The Argus.)

Galva, Ill., Dec. 1.—Francis Moore, a school boy of this city, adapts his playthings to useful pursuits. A pair of goats furnish the motive power for a stout, four-wheeled wagon he owns, and with this apparatus the lad does teaming jobs, of which he finds enough to keep him busy. His rig can cart a ton of coal at a time, though that is somewhat larger than the usual load of any commodity he handles.
